## GROUP EVENTS 2019

Groups from 24 - 60 people.

In order to provide timely service to both your group and the rest of our guests we require all large parties to select a limited menu. This allows the kitchen to be fully prepared and make sure all guests are served promptly and efficiently. Below are examples of limited menus we have utilized in the past. The menu can be customized to your personal tastes and budget. Groups with more than 60 guests should refer to our buy-out guide
